

## Always "On the Job"

The right kind of clothes at the prices are almost enough to sell themselves. But there's another factor -- the personal element.

Lot's of people come here to buy because they're sure of going away with a smile. And a customer's smile is worth as much to us as our profit on the goods he buys. The satisfied person comes back.

The size of a purchase is only an item. We figure that a ten-cent sale and a pleased customer are more valuable in the long run than a ten dollar sale and a "never come back."

Make us prove our willingness to serve. Our stocks are especially attractive right now.

CAM MULLINS

To my friends who so loyally supported me in the primary just past, I want to extend to you my heartfelt thanks. Also to the voters who opposed me, I have no ill will toward any, as that was your personal privilege. I most earnestly solicit your support in November. Hoping all Republicans will now stand together and support our nominees in the final election, I am,  
Your friend,  
CAM MULLINS.

TIP LANGFORD

TO THE REPUBLICANS OF ROCKCASTLE COUNTY:  
I take this means of thanking my friends for the loyal and enthusiastic support they gave me in my race for the Republican nomination for Sheriff. You did me good service and by your help I won the nomination over my opponent by a good majority. This was a republican contest, in a republican primary, and every republican had the right to vote as he thought best in making a nomination for the office of sheriff. I have the kindest feelings for all who opposed me, and when I enter upon the discharge of my duties as sheriff it is my purpose to treat all alike.  
Very sincerely,  
TIP LANGFORD.
